

Early Decision Agreement

Early Decision is an application plan in which you make a commitment to a first-choice institution where, if admitted, you will enroll. While pursuing admission under Early Decision, you may apply to other institutions, but may only have one Early Decision application pending at any time. If you are admitted Early Decision, you must promptly withdraw the applications submitted to other institutions and make no additional applications to any other institution. If you are an Early Decision applicant and are seeking financial aid, you need not withdraw your other applications until you have received notification about financial aid from Saint Joseph's University. If you apply for financial aid and are not offered an award that makes attendance possible, you may decline the offer of admission and be released from the Early Decision Agreement. A non-refundable enrollment deposit is required by January 15 for students admitted in Early Decision I, and by March 1 for students admitted in Early Decision II.

Once completed, your Early Decision Agreement should be uploaded through your SJU Admission Account or emailed to admit@sju.edu.

I wish to apply to Saint Joseph's University as my first-choice school under Early Decision I or II. I have discussed Saint Joseph's Early Decision agreement with my parent(s)/guardian(s) and guidance counselor, and I have read and understand my rights and responsibilities under Early Decision. I also understand that with an Early Decision offer of admission, Saint Joseph's University may share my name and my Early Decision agreement with other institutions.

I am applying for: Early Decision I (Nov. 15) Early Decision II (Jan. 15)
